- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their responsibilities;
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions as it can be practically provided in the circumstances;
- (g) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face the extremes of weather; that the crew is sufficient in experience and fitness to withstand such weather.
