

BURTON WEEK 2013 AT BRIXHAM SAILING CLUB

SOCIAL PROGRAMME

- Friday 24th May** **Brixham Sailing Club Bar and restaurant will be open at lunch time only, but for the evening there are lots of eating places and bars a few minutes walk from the Club.**
- Saturday 25th May** **Immediately after sailing there will be a BBQ provided (two free tickets per boat) and there will be a bar, you can also purchase real ale.**
- At 07.30pm a Pleasure boat will be alongside the dinghy park to begin a trip in the bay, there will be a bar on board and at approximately 9.45 pm you will be able to view the firework display which marks the end of the Brixham Heritage Regatta.**
- The bar in Brixham Yacht Club will be available on your return.**
- Sunday 26th May** **National Twelve Owners' Association AGM at 17.00 hrs**
- National 12 fancy dress party with the band 'The Bounce' at 20.00hrs. The fancy dress theme to be announced later.**
- Monday 27th May** **National Twelve Dinner at 19.30 for 20.00hrs. This will be a three course dinner and The Burton Cup and associated prizes will be presented afterwards.**
- Tuesday 28th May** **The final Prize giving will be as soon as possible after racing has ended and the results have been produced.**

All events will be taking place in or from Brixham Sailing Club

BRIXHAM YACHT CLUB FACILITIES

CLUBHOUSE, DINGHY PARK AND CAR PARKING

The Clubhouse is on Overgang Road close to The Quay. Entering the Club from the road you find the bar and restaurant which overlooks the sea. Carry on downstairs, step outside and carry on down where you will find the steps up (!! sorry) to the National Twelve Race Office. Carry on further down and you will reach the Club dinghy park and alongside it is the public car park.

When arriving by car you drive along Overgang Road past the Club and reach the far end of the public car park. You can drive through this to the dinghy park and drop off your boat.

The championship dinghy park is the space usually occupied by club boats so it won't be marked with berth numbers. On Friday and Saturday there should be someone to advise you where to go. Sorry, but trailers will have to live under boats, if there are any double trailers you will need to ask what can be arranged.

This is a Pay and Display car park so please don't get caught out without a ticket. Instead of feeding a machine at £8 per day you could consider purchasing a weekly ticket in advance from Torbay council, via the internet at £33. This means no hunting for change and if you arrive on Friday would be more economic. This is apparently a scratch card and is valid for 7 days starting from whichever day of the week you wish.

This ticket can be used on any of the other Torbay council car parks (Torquay, Paignton or Brixham), but not on street parking. Useful if non sailing members of your family want to tour the area. We have been advised that these charges should not be changing.

You can obtain one by following this link <https://secure.torbay.gov.uk/ParkingPermits/>

Details of all car parks can be found by following this link <http://www.torbay.gov.uk/index/yourservices/parking/carparks.htm>

Unfortunately there is nowhere for tents at the Club and camper vans cannot be used on the car park for living in!! You need to look at the information on camp sites on the Notice of Race and elsewhere on this site. Also you will find B&B and self catering information.

ACCOMMODATION

There is no shortage of accommodation of all types in Brixham, but booking early is recommended. Brixham Yacht Club have provided the following link; <http://www.racing.brixhamyachtclub.com/general/Accommodation%20information%20near%20B%20YC.pdf>

You can also access www.englishriviera.co.uk and other internet sites.

PHOTOGRAPHY

There will be a local photographer on the water each day and he will stream images of each days racing on the TV screens after racing. Images will be available to purchase at reasonable prices.

There may be videos taken on the water if a volunteer can be found. If so this would be played back on the TV's in the Club.
