Dear National Twelve Sailor

We very much hope that you will be able to join us at the 2021 Naburn Paddle open meeting for National Twelves for some classic summer river sailing.

River conditions mean that older and vintage boats are not at a disadvantage against newer boats. Over the last few years winning boats have ranged from two years to over forty years old and it makes for interesting and exciting racing throughout the fleet.

We have a trophy for vintage boats, and the event will be part of the national Vintage series, so dig out your Mk4as and Mk14s, your Sparklets and Starfish and give them a outing on the river.

Two out of three races are needed to count. The first points race, as well as counting towards the overall points for the Naburn Paddle, also has its own trophy, the Jubilee Cup. If wind permits, this will be a longer race down to the southern extremities of our sailing water at Naburn Lock.

Knowing that long distance travellers often need to get away early, the prizegiving will be held promptly fifteen minutes after the last race ends to ensure an early departure is possible for those who need it. Those who don't need to rush off are invited to stay at the Club and enjoy a leisurely afternoon tea!

- ★ Race 1 is for the Jubilee Cup.
- ★ Two out of three races to count for the Naburn Paddle and Vintage Trophy.

Entry fee £12.00, to include the Old Spice Levy.

Meeting results count towards the Old Spice Northern Area Series Trophy and the Witchcraft Bailer Series for Vintage Boats.

For more information please contact the Fleet Captain, Philip David on 01347 878772 or via email (philip.david01@gmail.com)

We hope to see you at Naburn for some great National Twelve sailing!

Directions

Naburn is three miles south of York, on the B1222, O.S. reference SE 598 456.

Our close proximity to the trunk roads means that access to York is quick – 1 ½ hours from Derby or 2 ½ hours from Peterborough for example. The M1 – A1 link has significantly improved access to York from the West of the country.

From the A1 approach York on the A64 . Leave the A64 after passing York racecourse and crossing the River Ouse at the A19 Selby junction. Turn left at this roundabout and then take the first left again (after ¼ mile) onto the B1222 towards Naburn. In Naburn YOSC is located at the end of Main Street, on the river side – take the second right turn after entering the village.
